Long Canyon

From Georgetown go east on FS 1 for 24 mi., past Stumpy Mdwts to FS 2. Turn left on FS 2 and follow it 21 mi. across the Rubicon River to a 3-way jct. Bear right (still on FS 2) toward Hell Hole Reservoir and after less than 1 mi. bear right again. Continue 1.17 mi. to a cattle guard. Park and walk 100 yds south to the creek. The hole is about 150 yds south of a small dam. The round trip is around 100 miles. Gas up.
